

Photon

Buyer (m/f/d) in Berlin

Your Tasks:

- You are proficient in communicating with suppliers and are adept at order processing.
- Obtaining and processing order confirmations? No problem for you.
- On-time deliveries and smooth material supply are your strengths.
- Do you process complaints and implement supplier evaluations? You are an expert.
- You have organizational skills in operational purchasing and logistics.
- Cooperation with other departments is a matter of course for you.

Your profile:

- Completed commercial education or studies. Confident handling of MS Office applications; very good ERP knowledge (MS Navision desirable).
- Initial experience in an industrial company. Strong communication and negotiation skills, team-oriented, organized and proactive.
- Business fluent in German and ideally also in English.

Our offer:

- An interesting and varied working environment awaits you.
- Flat hierarchies and collegial cooperation create a family atmosphere.
- 30 days vacation per calendar year
- Good public transport connections and free employee parking are available to you
- Home office possible.
- Participation in community-promoting company events.
- Company pension scheme and BVG company ticket/job bike round off our benefits.

In Berlin, we use unique laser welding technology to develop, optimize and produce complex lightweight components and assemblies made of steel, stainless steel and aluminum for future-oriented and sustainable mobility.

Become part of the Photon family, develop your personal potential and shape global projects with us!

We look forward to receiving your complete application, stating your earliest possible starting date and your salary expectations.
