

Production foreman / Industrial foreman metal (m/f/d) in Berlin

Your Tasks:

- You coordinate, monitor and optimize the production area.
- You are responsible for ensuring quality.
- As a manager, you will lead employees with competence and commitment.
- You ensure occupational safety in the entire work environment.

Your profile:

- Completed master craftsman training with focus on metal/mechanical engineering
- You have initial experience in personnel management.
- You are characterized by a basic technical understanding.
- Good knowledge of MS Office is a matter of course for you, initial experience in the PPS system (MS Navision) is an advantage.
- The ability to work in a team as well as a structured and independent way of working are among your strengths.

Our offer:

- An interesting and varied working environment awaits you.
- Flat hierarchies and collegial cooperation create a family atmosphere.
- flexible working hours
- You benefit from a wide range of further training opportunities.
- 30 days vacation per calendar year
- Good public transport connections and free employee parking are available to you
- Participation in community-promoting company events.
- Company pension scheme and BVG company ticket/job bike round off our benefits.

In Berlin, we use unique laser welding technology to develop, optimize and produce complex lightweight components and assemblies made of steel, stainless steel and aluminum for future-oriented and sustainable mobility.

Become part of the Photon family, develop your personal potential and shape global projects with us!

We look forward to receiving your complete application, stating your earliest possible starting date and your salary expectations.
