

Technical Sales / Sales Engineer (m/f/d) in Berlin

Your Tasks:

- Your skills seamlessly combine with our vision.
- You have the ability to strengthen the market presence of high-quality metal assemblies at both international and national level.
- The acquisition of new customers for the independent expansion of the division is not just a task, but an exciting challenge for you.
- You consider customer support to be one of your strengths.

Your profile:

- Completed commercial or technical education or studies (e.g. mechanical engineering, industrial engineering).
- Professional experience in a similar position in technical sales.
- Industry knowledge, basic technical understanding and strong customer orientation.
- Confident handling of MS Office applications; knowledge of the ERP system Navision is an advantage.
- Negotiating skills, strong communication skills and very good written and spoken German and English.
- Willingness to travel.

Our offer:

- An interesting and varied working environment awaits you.
- Flat hierarchies and collegial cooperation create a family atmosphere.
- 30 days vacation per calendar year
- Good public transport connections and free employee parking are available to you
- Home office possible.
- Participation in community-promoting company events.
- Company pension scheme and BVG company ticket/job bike round off our benefits.

In Berlin, we use unique laser welding technology to develop, optimize and produce complex lightweight components and assemblies made of steel, stainless steel and aluminum for future-oriented and sustainable mobility.

Become part of the Photon family, develop your personal potential and shape global projects with us!

We look forward to receiving your complete application, stating your earliest possible starting date and your salary expectations.
